Independent Advisory Panel (IAP) for:

**West Basin Municipal Water District's  
Ocean Water Desalination Subsurface Intake Study –  
Guidance Manual Review  
(Bureau of Reclamation Agreement No. R14AP00173)**

## **NOTICE OF PUBLIC MEETING**

**Thursday, February 26, 2015  
9:00 am to 12:00 noon**

Location:

West Basin's Edward C. Little Water Recycling Facility  
1935 S. Hughes Way, El Segundo, CA  
(310) 414-0183

**Purpose:** The National Water Research Institute (NWRI), a 501c3 nonprofit research institute, invite interested persons to attend a public meeting on an Independent Advisory Panel (Panel) review of West Basin Municipal Water District's (West Basin) "Ocean Water Desalination Subsurface Intake Study Guidance Manual Review" for public review and comment. This meeting is the initial meeting of the Panel.

**Public comment:** All interested persons are invited to addend the public meeting to express their opinion on this matter. Written comments must be submitted by March 4, 2015 to: NWRI, 18700 Ward St., Fountain Valley, CA, 92708.

**Background:** The Guidance Manual is part of a larger West Basin effort titled: Ocean Water Desalination Subsurface Intake Study. The Panel will review the Guidance Manual framework developed by the West Basin project team for conducting a desktop feasibility analysis of seawater subsurface intakes based on site specific criteria and available data.

**For further information:** Contact Brandi Caskey, NWRI, at (714) 378-3278 or [bcasky@nwri-usa.org](mailto:bcasky@nwri-usa.org) or Gina Vartanian, NWRI, at (714) 378-3278 or [gmelin@nwri-usa.org](mailto:gmelin@nwri-usa.org). Optional tours of West Basin's Edward C. Little Water Recycling Facility will be available after the meeting.

This meeting is accessible to the physically disabled. Requests for disability-related modifications or accommodation should be made at least five business days prior to the meeting and should be directed to Brandi Caskey at (714) 378-3278 or [bcasky@nwri-usa.org](mailto:bcasky@nwri-usa.org).
