

National Water Research Institute

(As of January 2014)

List of NWRI Panel Activities

NWRI Independent Advisory Panel Activities (2003-Present)			
Agency	Project/Program	Years	Panel Chair
California Department of Health Services (CA)	BDOC as a Surrogate for Organics Removal in Groundwater Recharge	2011-2012	Jörg Drewes
California Department of Health Services (CA)	Review of Water Recycling Criteria for Agricultural Irrigation	2011-2012	Robert Cooper
California Department of Health Services (CA)	Surface Water Augmentation and Direct Potable Reuse Panel	2014-Present	Rhodes Trussell
County of Orange (CA)	Nitrogen and Selenium Management Program	2005-2006	Brock Bernstein
County of Orange (CA)	Assessment of TMDL Targets for Organochlorine Compounds for Newport Bay	2008-2011	Brock Bernstein
County of San Luis Obispo (CA)	Los Osos Wastewater Management Plan	2007-2008	George Tchobanoglous
City of Cupertino (CA)	Review of Disinfection Requirements for an Interactive Public Fountain	2009	Andrew Salveson
City of Davis (CA)	Davis-Woodland Water Supply Project Review	2007-2008	Harvey Collins
City of Kennewick (WA)	Riverbank Filtration Study Review	2004-2006	James Crook
Helix Water District and Padre Dam Municipal Water District (CA)	El Monte Valley Groundwater Recharge, Mining, and Reclamation Project	2010-2011	James Crook
Inland Empire Utilities Agency (CA)	Groundwater Recharge Permit Amendment	2010	James Crook
Los Angeles Department of Water & Power (CA)	Salt Balance Analysis of the San Fernando Groundwater Basin	2009	Timothy Moore
Los Angeles Department of Water & Power (CA)	Groundwater Replenishment Project Review	2010-Present	Michael Stenstrom
Los Osos Community Services District (CA)	Wastewater Management Plan Update	2006	George Tchobanoglous
LOTT Clean Water Alliance (WA)	Groundwater Recharge Scientific Study	2013-Present	James Crook
Monterey Regional Water Pollution Control Agency (CA)	Groundwater Replenishment Project	2007-2008	George Tchobanoglous
Monterey Regional Water Pollution Control Agency (CA)	Monterey Peninsula Groundwater Replenishment Project	2013-Present	George Tchobanoglous
New Mexico Environment Department (NM)	Developing Proposed Direct Potable Reuse Operational Procedures and Guidelines for New Mexico	2013-Present	James Crook
Orange County Sanitation District (CA)	Achieve Full Secondary Treatment	2003-2009	George Tchobanoglous

Orange County Sanitation District (CA)	Disinfection Practices Review	2008-2012	George Tchobanoglous
Orange County Water District (CA)	Groundwater Replenishment System	2004-Present	James Crook
Orange County Water District (CA)	Santa Ana River Monitoring Study	2004-Present	Harvey Collins
Padre Dam Municipal Water District (CA)	Full Advanced Water Treatment Demonstration Project	2013-Present	James Crook
Rancho California Water District (CA)	Indirect Potable Reuse Conceptual Design Study	2012-2013	James Crook
City of San Diego (CA)	Water Reuse Study Review	2004-2006	George Tchobanoglous
City of San Diego (CA)	Indirect Potable Reuse/Reservoir Augmentation Project Review	2009-2013	George Tchobanoglous
City of San Diego (CA)	San Vicente Reservoir and Otay Reservoir Studies for Reservoir Augmentation with Recycled Water	2014-Present	George Tchobanoglous
San Francisco Public Utilities Commission (CA)	Water Reuse Master Plan	2006	James Crook
Santa Clara Valley Water District (CA)	Evaluating Potable Reuse	2012-Present	James Crook
Trussell Technologies, Inc. (CA)	Examining the Criteria for Direct Potable Reuse (under WateReuse Research Foundation Project 11-02)	2012-2013	James Crook
Tucson Water (AZ)	Recycled Water Master Plan	2011-2013	Shane Snyder
WateReuse Association (VA)	Producing a White Paper on “Developing Potable Reuse Guidelines”	2014-Present	George Tchobanoglous

NWRI Independent Technology Verification Panel Activities (2013-Present)			
Agency	Technology	Years	Panel Manager
Carollo Engineers (CA)	Hexavalent Chromium (Cr[VI]) Removal	2013-Present	Hélène Baribeau
