Asset Management Training Workshop in Los Angeles - Early Registration Open

Early registration is still open for the “hands on” advanced asset management training workshop to be held on April 21-22, 2010, at the City of Los Angeles Bureau of Sanitation in Los Angeles, California.

The purpose of the training workshop is to help improve the asset management assessment skills of water and wastewater utilities.

Workshop sponsors include:

- U.S. Environmental Protection Agency
- City of Los Angeles, Department of Public Works, Bureau of Sanitation
- Los Angeles Department of Water and Power
- NWRI

The workshop agenda will include:

- **Real-world storylines** to demonstrate advanced asset management as a way to approach difficult asset problems.
- **Participant exercises** to provide experience with the concepts, techniques, and tools of advanced asset management.
- **Case-based mentoring** with asset management experts.
- **Step-by-step demonstration** of how an agency would select and deploy best appropriate advanced asset management practices.

The California Department of Public Health (CDPH) Division of Drinking Water and Environmental Management Operation Certification Unit will provide up to fourteen (14) Continuing Education Units (Cues) for workshop participants. State Water Resources Control Board (SWRCB) Clean Water Program Cues are pending.

The fee for early registration (by **April 14, 2010**) is \$225. After April 14, the registration fee will be \$275.
