

# NATIONAL WATER RESEARCH INSTITUTE

Independent Advisory Panel (IAP) for:

**West Basin Municipal Water District's  
Ocean Water Desalination Subsurface Intake Feasibility Study  
(Bureau of Reclamation Project No. R14AP00173)**

**NOTICE OF PUBLIC MEETING**

**Monday, November 16, 2015**

**9:30 am to 12:00 noon**

Location:

West Basin's Edward C. Little Water Recycling Facility  
1935 S. Hughes Way, El Segundo, CA  
(310) 414-0183

**Purpose:** The National Water Research Institute (NWRI), a 501c3 nonprofit, would like to invite interested persons to attend a public meeting of an NWRI Independent Advisory Panel review of West Basin Municipal Water District's "Ocean Water Desalination Subsurface Intake Feasibility Study." This meeting is open for public review and comment.

**Background:** As part of a larger effort titled "Ocean Water Desalination Subsurface Intake Study," West Basin conducted the Feasibility Study in 2015 to evaluate the feasibility of applying different subsurface intake technologies at a given project site. The Panel will review Study efforts to-date and provide findings and recommendations.

**Presentations:** West Basin will provide background information on the Subsurface Intake Study before introducing the concept of feasibility and detailing the goals, objectives, and conclusions of the Feasibility Study. Information will be provided on subsurface intake technologies, field testing, and evaluation processes used for the Feasibility Study.

**Public comment:** All interested persons are invited to attend the public meeting to express their opinion on the Feasibility Study. Written comments must be submitted by November 30, 2015 to: NWRI, 18700 Ward St., Fountain Valley, CA, 92708 or [gmelin@nwri-usa.org](mailto:gmelin@nwri-usa.org).

**For further information:** Contact Jaime Lumia, NWRI, at (714) 378-3278 or [jlumia@nwri-usa.org](mailto:jlumia@nwri-usa.org) or Gina Vartanian, NWRI, at (714) 378-3278 or [gmelin@nwri-usa.org](mailto:gmelin@nwri-usa.org). Optional tours of West Basin's Edward C. Little Water Recycling Facility will be available after the meeting.

This meeting is accessible to the physically disabled. Requests for disability-related modifications or accommodation should be made at least five business days prior to the meeting and should be directed to Jaime Lumia at (714) 378-3278 or [jlumia@nwri-usa.org](mailto:jlumia@nwri-usa.org).
