

NATIONAL WATER RESEARCH INSTITUTE

Independent Advisory Panel for Soquel Creek Water District's Proposed PUREWater Soquel Project

PUBLIC MEETING AGENDA

September 20, 2017
10:00 am – 1:00 pm

Location

Capitola City Council Chambers
420 Capitola Avenue
Capitola, CA 95010

Contact

Suzanne Sharkey (NWRI)
(714) 378-3278 (office)
(949) 258-2093 (mobile)

Meeting Objectives

- Introduce the National Water Research Institute (NWRI) independent panelists and advisory process to the community
- Describe water shortage challenges in Santa Cruz Mid-County region and why Soquel Creek Water District (District) is investing in the development of sustainable drinking water supplies
- Explore key public health issues related to potable reuse and PUREWater Soquel
- Provide an opportunity for community members to ask questions about PUREWater Soquel

10:00 am	Welcome and Introduction of the Independent Panelists and NWRI's Advisory Process	Kevin Hardy, Executive Director, NWRI
10:30 am	Why PUREWater Soquel? Perspectives from District Water Resource Managers	Melanie Mow Schumacher, P.E., Special Project-Communications Manager, Soquel Creek Water District
10:45 am	Exploring Key Public Health and Water Quality Issues Related to Potable Reuse and PUREWater Soquel	Sunny Wang, P.E., Brown and Caldwell (District consultant) Andy Salveson, P.E., Carollo Engineers (District consultant) Kara Nelson, Ph.D., University of California, Berkeley (Panel)

12:00 pm **Public Questions & Answers**

Facilitated by Kevin Hardy, NWRI

Meeting attendees are invited to submit written questions regarding PUREWater Soquel to the Panel.

- Written questions will be collected by NWRI staff until the beginning of the public question-and-answer period.
- Question cards will be provided to attendees. Please write your question on one of the cards and submit to the NWRI staff person managing the cards.
- The Panel will answer questions as time allows. Any remaining questions will be addressed by the Panel in the final NWRI report.

Community members unable to attend may submit written questions to the Panel for one week following the meeting. The Panel will respond to these questions in the final NWRI report. Please submit questions to ssharkey@nwri-usa.org or to the address listed below by September 27, 2017.

1:00 pm **PUBLIC MEETING ADJOURNS**

Accessibility

This meeting will be videotaped and made available for later viewing on the Soquel Creek Water District website and the NWRI website.

- Soquel Creek Water District website: <http://soquelcreekwater.org/>
- National Water Research Institute website:
http://www.nwri-usa.org/soquel_creek_panel.htm

This meeting is accessible to the physically disabled. To request a disability-related modification or accommodation, contact the NWRI office at (714) 378-3278. Please note that it will be easiest to accommodate requests that are received at least five (5) business days before the meeting (by Wednesday, September 13, 2017).
